

GLOBAL TUNNELLING EXPERTS

GLOBAL WORKFORCE

Work the **WORLD** with us

From January 2014, Global Tunnelling Experts (GTE) has participated and staffed
185 projects in 42 countries

(green countries on the map above). During the last couple of years Global Tunnel-
ling Experts, in average, have had more than 600 assignments pr. year.

Part of our success is that our clients are supported from our 8 offices and rep-
resentations in Denmark, France, Germany, The Netherlands, Qatar, Singapore,
Spain and the United Kingdom.

GTE have the experience and will get you the right person for the job
